## ACCOUNTING FOR AUTONOMY

---

CHET, CHEC and CSHE are hosting a seminar called: Accounting for Autonomy (7 October, Cape Town). Prominent academics and officials from the Department of Education will participate. This seminar is part of a larger CHET review of autonomy during the first decade of democracy. The next major event will be a seminar in early March that will, amongst others, include the famous Norwegian political scientist Johan Olsen and Harry De Boer from CHEPS in Holland.
