

Establishing a Higher Education Advocacy, Research and Information Dissemination Network in Africa

21-23 January 2007
 Royal Palm, Dar-es-Salaam
 Programme

Aims of the Meeting

The main aims are to discuss the report that proposes the establishment of a proposed Advocacy, Research and Information Dissemination Network in terms of work process, structure and content in ways that will assist the US foundation Partnership for Higher Education in Africa (PHEA) Working Group, to develop a proposal that can be considered for funding support at the PHEA ExCo during the first quarter of 2007.
